

Press fact sheet · August 2026

Your profile is more than an A4 CV or a LinkedIn page. Show the whole you.

WHAT IT IS

ByondCV is a modular, multilingual profile platform for professionals who want to present skills, values, projects, media and personality in one shareable, public page.

KEY FEATURES

- Modular profile sections (hero, story, skills, values, projects, media, CVs, videos)
- Discovery page to find people by role, values and skills
- In-app messaging inbox and contact forms
- Permanent QR code and custom profile URL
- 30-second in-app video recorder
- Multilingual: English, German, Italian, French
- Two-factor authentication

PLANS

Free: basic modules, 1 video, 1 CV file, link-only profile.

Premium: up to 5 videos, up to 5 CV files, custom URL, QR code, discovery listing and search indexing.

EUR 15 / month or EUR 150 / year.

WHY IT MATTERS

Traditional CVs reduce people to job titles and dates. ByondCV lets anyone build a living profile that tells a fuller story and is discoverable by values, not just keywords.

AVAILABILITY

Web-first, responsive and mobile-first design.
Public profiles work on any device with a browser.
